A EXPERIENCE

AMERICAN LICORICE CO

Bend, OR
2011 - Present

DIGITAL PRODUCT MANAGER

Managing all aspects of customer and consumer facing digital assets for American Licorice Co. and brands; including front and back end website development, mobile application development, digital and print advertising, video production, and graphic design.

AMERICAN LICORICE CO

Bend, OR
2008 - 2011

SENIOR NETWORK ANALYST

Maintained all network and server operations in Bend, OR including a VMWare infrastructure, Windows 2008 Server, Citrix, and Microsoft SQL Servers.

BEND-LA PINE SCHOOLS

Bend, OR
2006 - 2008

SYSTEMS ADMINISTRATOR

Deployed and maintained district wide Active Directory deployment, including the management of a centralized SAN storage, Windows 2003 server clusters, and OS X servers. I was also responsible for the deployment of and migration to standardized computer images across roughly 4000 machines.

LIBERTY UNIVERSITY - LYNCHBURG, VA

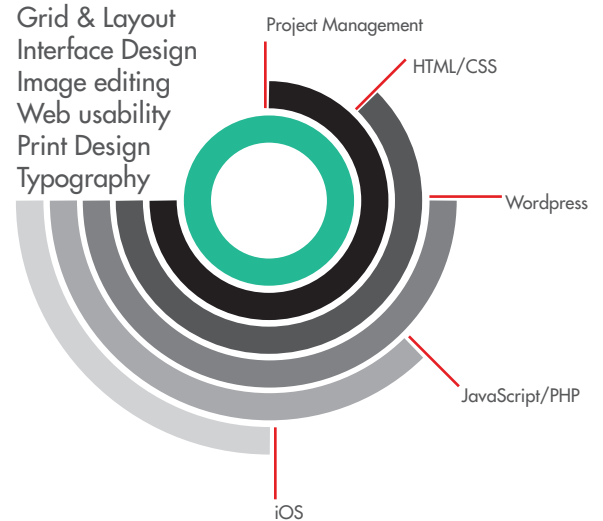

*Bachelor of Science in Management Information Systems
Summa Cum Laude ~ Tau Sigma Honor Society*

2000 - 2002

COCC - BEND, OR

Associates of Applied Science Information Technology

KNOWLEDGE

PERSONAL STATEMENT

I believe, at the core, a designer must possess the innate ability to find inspiration, gain knowledge, and act. It is at the center of those three intersecting circles where a designer finds joy and satisfaction in his work.

It is at the center of that matrix where you can find me. Creating inspired work through thoughtful actions.

HOBBIES & INTERESTS
